

SENIOR FRONTEND / FULL STACK ENGINEER

REMOTE, \$165K-185K BASE SALARY

Our client designs next gen content and social discovery platforms. The company is based in Silicon Valley, but their positions can be 100% remote (on permanent basis) from anywhere in the U.S.

They are looking for a capable Full Stack Engineer to help take their existing Node.js application and make it soar. You will be working with a stellar team of developers to create new and exciting applications and experiences. **The position will be more front-end initially but within 6-12 months a more even (60/40) mix of front/back-end development.**

RESPONSIBILITIES:

As part of the team, you will be work with a cross functional team to improve the company's existing Node.js application, write new web applications, and help steer the direction of the company's front-end code.

- Implement features with designers and other developers
- Build highly visual and dynamic web pages for a variety of form factors
- Write and organize JavaScript and TypeScript
- Help with API's needed by the company's mobile team
- Tech Stack: Frontend: React, Backend: Node/Express

QUALIFICATIONS:

- **MUST HAVE SKILLS:**
 - 4+ years of experience with NodeJS
 - 4+ years of experience in at least one front-end framework: React, Vue, or Angular
 - 4+ years of experience with JavaScript and Typescript
 - Experience with Express.js
 - Experience working independently (especially on the front end) from top to bottom
- **DESIRED SKILLS:**
 - Experience with web scraping
 - Experience with distributed systems
- **'NICE TO HAVE' SKILLS:**
 - Ability to write fast, well performing client-side code
 - Dealt with restructuring an existing large application code base as well as greenfield development
 - Familiarity with continuous integration and deployment
 - Some basic knowledge of SQL and non-relational data stores like Redis, MongoDB, etc.
 - Experience with any OO languages such as Java, Golang, Ruby, or Python
 - Active open-source contributions
 - Experience with browser integrations and extensions

INCENTIVES & BENEFITS:

- Fully and Permanently Remote (option to work from company's San Francisco or NYC offices is available)
- Highly Competitive Compensation
- Unlimited PTO + All U.S. holidays + 2 paid Off Weeks During Christmas/New year
- Meaningful Equity (RSU's)
- Matching 401(k)
- 100% Company Paid Medical, Dental, Vision Insurance
- H1-B Visa Transfers and Canadian TN Sponsorship
